

Job Posting: Impact Earth Composting Truck Driver

Introduction: Impact Earth is a zero waste company within the waste management industry. We develop, implement and distribute zero waste programs, services and products that represent our mission and values around landfill diversion, resource recovery and building sustainable communities. Our clients include counties, municipalities, K-12 school districts, businesses, non-profits, churches, restaurants, food trucks, caterers, event planners, and individuals interested in changing the culture of waste.

Overview of position: The Impact Earth Composting Driver position is critical to the overall success of our composting department. The position reports to the Composting Manager. In addition to their duties and responsibilities outlined below, the Driver will be required to be present throughout training, continued education, and all staff meetings. This is a challenging but extremely rewarding position within the company as you will be responsible for diverting food waste from landfills every day.

Statement of Work:

- Drive truck to service our commercial and residential composting clients
- Utilize routing software
- Partner with composting team for toter & bucket cleaning

Additional information:

- Must be available Wednesday-Friday
- Must have valid driver's license and reliable personal transportation
- Heavy lifting is required
- You will be exposed to a variety of weather conditions in this position
- The position is hourly and seasonal (until summer)
- Pay rate is based on previous experience
- You receive discounts on all IE products and services
- There are opportunities within the company to pick-up additional hours in the following departments: marketing, sales, events, organics. The hourly rates for these vary depending on the assignment. Please inquire for additional details.

Requirements:

Self-motivated and directed

Enthusiasm in the workplace

Ability to work alone or with a small group of zero waste team members

Ability to be flexible in day to day tasks and be able to jump into new situations with enthusiasm when necessary

Ability to lift and and be on your feet for extended periods of time necessary

Job Type: Part-time Salary: \$13.00 to \$15.00 /hour
